

Welcome to TELAIR's Technical Publications Website Registration Page.

If you would like to become a user of Telair's Web Distribution System, please read [Telair's General Terms and Conditions \(GTAC\)](#) and fill out the registration details.

Thereafter forward your request to Telair's administration for further processing. You can either forward a scanned copy to TELAIR's e-mail address TechPubs_C1572@telair.com or fax it to +49 8025 291799. If you prefer mail courier, please send it to the following address:

Telair International GmbH
Technical Publication
Bodenschneidstrasse 2
83714 Miesbach
GERMANY

After validation of your request, a TELAIR Customer Service representative will contact you using the given e-mail address. The registration can only be processed if a signature of the responsible team manager is given. In order to avoid reading errors we recommend using the PDF text functions for the highlighted fields.
